It doesn't cost a cent to Take a Ford Test Drive . . . and you may save hundreds!

Would you trade 20 minutes of your time for a saving of hundreds?

August is Saving Season at your Ford Dealer's. Bag a deal while he clears his decks for the '57 models.

Why put off the fun of a Ford Test Drive for a single day? As you know, it puts you under absolutely no obligation. And it may save you literally hundreds of dollars—we'll get to that a little further on.

By a Test Drive we mean more than a once-around-the-block "spin."

We want you to test the power that rocketed Ford to a 500-mile stock car record at Indianapolis . . . the GO that won the grand prize at NASCAR's Daytona Championships. We want you to feel how this Ford *seat* pays off in *your* kind of driving: in traffic, passing on the highway, getting going at traffic lights. We'll put either a Ford Six or a mighty V-8 with up to 225 h.p. at your disposal.

We want you to drive and *listen*—drive and *feel*.

That fine-car quiet results from sound insulation under the hood, under the roof, in door and body panels—the most insulation in any car at anywhere near Ford's low price.

Some other things that contribute to that smooth, silent, luxury-car ride are things which Ford's leading competitor certainly can't boast: Ball-Joint suspension with wide base control arms for better steering, more stabilized wheel alignment . . . shock absorbers that are mounted to the frame rather than the body.

"Sure," you'll say as you drive along the road. "Feels pretty good—but after all, this car is *new*."

Well sir, when you come in from your drive we'll show you why Ford will stay like new for a long, long time.

We'll show you how Ford has five cross-members (including a "K" member) in its frame. Ford's leading competitor only has two. We'll show you the deep-block Y-like engine design which enables Ford engines to take it.

Now—what you've been waiting for. How can you save hundreds of dollars by taking a Ford Test Drive?

Simply by proving to yourself that there really *is* a fine car in the low-price field.

You see, the reason a Ford does not cost hundreds of dollars more than it does, is Ford's huge production and the huge volume which we Ford Dealers sell.

There are many cases where "medium-priced" cars claim to be priced within a few hundred dollars of Ford. Remember, however, these prices are usually arrived at by comparing their lowest-priced models—stripped—with Ford's most expensive models that include all of the comforts of driving.

But enough of this talk. Come in. And *you* do the driving *and* the talking. Bring the family, too.

NOW! *A FORD with AIR CONDITIONING costs less than many medium-priced cars without it. TRY ONE TODAY!* Based on a comparison of suggested list prices.

FORD *goes first*

Communism

Since 1945, the Communists have gotten power over 5,950 people per hour all over the world —and gained 48 square miles per hour during the same period. -American Mercury.

Health Dept. Reports Year Of Activity

The annual report of the Appomattox County Health Department has been submitted to the board of supervisors and citizens of the county by Dr. H. E. Jenkins, Director. It covers activities of the department for the fiscal year ending on June 30, 1956.

Under the heading of communicable disease control program, the department reported on its immunization program. Immunizations for the prevention of diphtheria, whooping cough, tetanus, typhoid fever, and smallpox are given in the Appomattox Health Center twice a month. No cases of diphtheria were reported in the county during the year. Clinics were held in the Center for Salk Polio Vaccine, and the department cooperated with private physicians in this program. The April report showed that 1,496 Appomattox children had received the vaccine.

The report cited the progress of the Tuberculosis Program, mentioning that one 70 MM X-Ray and two 14x17 X-Ray Clinics had been held. A total of 1,507 persons were xrayed in the 70 MM Clinic and 277 in the 14x17 Clinics. There are 39 cases, 1 suspicious cases and 74 contacts under nursing supervision. At present, 5 cases are in the sanatorium.

Under the Crippled Children's Program, the report showed 36 Orthopedic cases under supervision. There are 13 Rheumatic Fever cases under supervision.

Maternal and Child Health Clinics are held twice a month. Ninety-five maternal cases and 86 infants attended these clinics. There were 150 visits to maternity cases, infants and pre-school children.

Three pre-school clinics were held in the spring, with 109 children being examined and receiving the first immunization or booster dose of diphtheria, tetanus, whooping-cough vaccine and smallpox vaccination.

The school health program is concerned with health protection policies and procedures in the control of communicable diseases. Four Child Health Diagnostic Clinics were held and 29 children examined.

The Sanitation Program report revealed considerable activity on the part of the department. The report that the Clean Home, the Clean Farm, the Clean Business, and the Clean Community add to a healthy people. The sanitation program covers safe water supplies, sewage disposal, insect and vector control, the preparation and serving of food in all public eating places, and rabies control clinics. During the year, 683 visits were made to eating establishments. A total of 131 visits were made during the year, in rabies control.

Demonstration Club Schedule

The schedule of home deconstration club meetings next week:

Monday, Aug. 27.- F. H. Scott, VPI horticulturist, will be in the county to score 4-H girls' gardens.

Tuesday, Aug. 28.- The Appomattox County Nutrition Committee is sponsoring a county-wide school lunch program meeting at the Appomattox Elementary School at 9:30 A. M.

Wednesday, Aug. 29.- The Spout Spring Home Demonstration Club will meet at 10:00 A. M. in the office of the Home Agent. The demonstration will be on Stencilling of Fabrics. Members will bring articles to stencil and covered dish lunch.

Thursday, Aug. 30.- The Oakgrove Home Demonstration Club will meet at 10:00 A. M. with Mrs. P. G. Reynolds. Mr. Wheary, VPI, will give a demonstration on Shelves for Storage.

Carson And Bondurant Family Reunion Sept. 2

The Carson and Bondurant family reunion will be held September 2, at 12:30 P. M. at Holliday Lake. All those connected in the families and their friends are invited to attend and bring picnic basket.

Lions To Hear Larry McWane

Larry McWane, Executive Secretary of the Lynchburg Chamber of Commerce, will be the speaker at the regular meeting of the Appomattox Lions Club tonight, according to announcement of Robert A. Sears, program chairman. Mr. McWane will speak on Improving Employment Opportunities in Appomattox County.

The local club is seeking to improve its attendance record.

Garden Club Holds Annual Garden Party

The Appomattox Garden Club will have its annual Garden Party on the lawn at the home of Mr. and Mrs. Leonard Anderson on Monday, August 27, at 7:30 P. M. During the evening a color film entitled "Roses," and procured from Jackson and Perkins, will be shown. This is a thirty minute feature and promises to be inspirational to all flower growers.

All Garden Club members and their friends are cordially invited to attend. New members will be welcomed.

In the event of rain, or a cool, damp night, the party will be held in the Appomattox Elementary School cafeteria.

Forest Survey Crew Now At Work In State

Forest survey crews are now at work in the Coastal Plain forests of Virginia. Four 2-man crews have completed surveys of Southampton, Isle of Wight, Surry and Chesterfield, and are now working in Hanover, Charles City and Henrico Counties. "This is the second statewide forest survey ever undertaken," says State Forester George W. Dean. "The first complete survey was made in 1940."

The purpose of the survey, according to Dean, is to gather authentic facts concerning the location and condition of existing and prospective forests, depletion and growth of stands and present and probable future requirements for forest products. All these facts are necessary for the formulation of long-range palns by industry and government. Since the 1940 survey, the country has gone through two wars and has witnessed a great building and business boom. These developments have had a tremendous impact on the forest resources of Virginia. The new survey will make it possible to determine what changes have taken place during the past sixteen years and will afford the forest industry a clear picture of what is happening to the forest resources of this state.

SEVERE STORM DOES DAMAGE IN COUNTY

A severe wind and hail storm did damage in Appomattox County last Sunday. We have reports of trees being uprooted and roofs torn from several buildings. Also damage to tobacco. Among the losses reported were some in the area of Carter Martin, C. C. Harvey, J. P. Paulette, Paul Sarver, and others.
